Services

Highways:

Feasibility Studies, Preliminary & Detailed Project Report, Detail Engineering, Alignment / Route selection, Survey, Traffic Survey, Network analysis, Geometric & Pavement designs, Financial analysis, Cost estimation, Design facilitation, Proof Checking, Construction Supervision, Independent Engineer, Safety Management.

Bridge Engineering:

Planning & detail design of all types of Bridges including Grade Separators, ROB / Flyovers/ RUB, hydrological studies, cost estimation, GAD & Detailed Project Report, Earth & Water retaining structures, Toll Plaza, Subway, Supervision assignments.

Railway:

Demand analysis, Route selection, Private siding, FLS, Techno Economic Feasibility Studies, Detailed Project Report, Terminal & Yard Planning, Cost estimation, supervision assignments.

Building & Architecture:

Planning & design of High rise buildings, Group Housing, Master Planning including Hospitals, Educational institutions, Retail & commercial Stadium, Land use planning, Hotel & Resort, Industrial structures with steel, RCC & PSC, supervision assignments, Proof Consultant, Detail design of Services (Civil, Electrical & Mechanical).

Water supply:

Planning & design of water supply lines for industry, Distribution Network, canals, drainage work, sewerage system, Waste water treatment & disposal, WTP, Intake, PH.

Survey:

Topographical Survey, Hydro-graphical & Bathymetry Survey, Wave & Current Dynamics, Alignment Survey, Tidal Study.

GIS & IT:

GIS, utility mapping, Remote Sensing, MIS Data Preparation, Application Development, Data Migration, Mobile application of GIS, Web & Desktop based GIS.

Services

Tunnel engineering:

Feasibility Study, Detail Project Report, Detailed Engineering of Tunnels, Estimation, Supervision.

Environmental & Social Planning:

EIA & EMP, Ecological assessment, SIA, RAP, Independent Environmental Review, Watershed development, Env Training Programme, Risk assessment & Disaster Management Plan, Environmental Construction Supervision, Water Quality Monitoring, Air Pollution Monitoring.

Project Management Consultancy:

Independent engineer, Site Supervision, Authority Engineer, 3rd Party Audit

Master Planning :

Town Planning, Urban Planning, Area Planning for Group Housing, Landscape, Utility Relocation Plan, Community Planning, Drainage network analysis, TP Scheme.

Quality control:

Geotechnical investigation, Offshore Investigation, soil & rock testing, Strata investigation by seismograph, cross hole, down hole method, ERT, Pile Integrity Test, Pile Load Test, Plate Load Test, Load testing of Structures, Pavement testing, Foundation design, high embankment design, ground improvement measures, all types of Non-destructive testings, Environmental & Chemical Testing, Material Testing, Quality Audit & Management, underwater sampling & inspection.

Airport & aviation:

Runway design, Drainage design

Port:

Financial & Economic Feasibility Study, Port & Marine Terminal Planning & Design, Detailed Engineering & Construction Management.

Water Resources:

Underwater inspection of Infiltration Gallery, Geotechnical Investigation for Irrigation Structures, Catchment Survey, Hydrological Study, Feasibility Study, Underwater Survey.

Key Projects

Architecture & Structural Design:
Construction of IT Incubation Centre, Bhubaneswar, Odisha, (Built-up Area 4.35 Lakh Sqft.) (Design & PMC)

Master Planning:
Group Housing Scheme over Plot No.1604 at Paikrapur, Bhubaneswar (Built up area: 2.00 Lakh Sqft.)

Quality Control:
Geo-technical & Geo hydrological Investigation for BARC at Achutapuram Mandal, Det. : Vishakhapatnam.

Highway Engineering:
4 laning of Sohela-Nuapada (SH-3) Length - 102 km.

Bridge & Tunnel Engineering:
Six Lane Flyover Bridge including underpass at Rajmahal Square in Bhubaneswar City. (Design Services)

Bridge & Tunnel Engineering:
HL Bridge over River Kathajodi for direct link from Cuttack city to Bhubaneswar (Length-2.81Km.) (Design Services)

Railway Engineering:
Final Location Survey, Geotechnical Studies, Design, Preparation of Drawings & Other Preliminary activities in connection with Construction of New BG Line between Durgapur-Katlam via Banswara (176.47 km).

GIS & IT:
Special Investment Region at Dhamra.

Survey:
Topographical Survey in Kalinga Nagar using Total Station & DGPS.

Project Management Consultancy:
Naranpur- Pandapada-Harichandanpur- Brahmanipal-Duburi Road in the district of Keonjhar and Jaipur funded by MoRTH, GOI, (Length: 98km)

Project Management Consultancy:
Two-lane rigid pavement with 1.5mtr paved shoulder on both sides to Cuttack-Paradeep road (SH-12) (Length: 82 km)

Project Management Consultancy:
Authority's Engineer for Construction Supervision of Berhampur- Tamana-Chikili- Surangi-Mandarada road (SH-22) & Sheragada - Badagada -Soroda road (SH-36) on (EPC) Mode under SHDP. (Length-70Kms.)
